

MAMTA MODERN SR. SEC. SCHOOL

Dear Parents,

Greetings!

**“Education is the passport to the future for tomorrow
belongs to those who prepare for it today”**

A warm welcome to the complete session! We have successfully completed another academic session with your continuous cooperation. As an educational institution, our endeavour has always been to help the child gauge his own potential in the light of our guidance and support and encouragement. Like every year this year too our focus will be to create a varied platform that will enable the child to push his own limits and become a successful individual.

We hope this year too, we can work magic together so that we can be proud of our children.

ASSESSMENT:

Class I-IV: Four Cycle Tests will be conducted throughout the year.

Class V: Three Cycle Test and one Summative Exam in March will be conducted.

Formative Assessment will be carried out using the tools such as Class Work, Homework, Class Response, Projects, Assignments and class tests etc.

Tips for Parents:

1. Try to communicate with your child in English.
2. Encourage your ward to participate in all Class Activities.
3. Help the child in completing his/her project work rather than doing it yourself.
4. **For English and Hindi- Grammar topics done from April will be tested in every Cycle Test.**
5. **Cycle Test will not be conducted before or after the schedule date.**
6. Dates for Cycle Test can be confirmed from the diary as well (Refer Page no.30-31).
7. All activities conducted during the year will be marked for formatives.
8. We discourage buying of project work from professionals. Children will be given better grades for self work.
9. Spelling Tests for all subjects will be conducted weekly.
10. Class Test will be conducted after every chapter.
11. Encourage your child to read good story books which will help to improve their language.

We fervently hope that the introduction of this system will have its consequent impact on the learning environment both in the school and at home and will also facilitate the child to grow in a more holistic manner.

Note: The maximum marks for each Cycle Test and Summative Exam is given in table with each

subject.

PRINCIPAL

Syllabus (2017-18)

Class II

English

Prescribed Books:

1. New communicate in English (part-2)
2. GRAMMAR: Growing with Grammar 2
